PRICE, FIVE CENTS

\$3 a Year

Will Aid Borough Volunteers Fight Fires

A greater number of contributing memberships in the Narberth Fire Company at \$3 a year are needed if that organization is to maintain, and seek further improvements in its blaze fighting efficiency.

In behalf of the campaign for more members, Dr. Albert C. Barnes, vice-president, and Count Tristan B. duMarais, president, addressed the annual meeting of the company Tuesday night at Elm Hall.

Almost unanimously elected were nine directors. Eight re-elected were W. S. Howard, Harry Hollar, Horace T. Smalley, T. B. duMarais, Albert Nulty, George Carr, Dr. Barnes and William H. Durbin. New member of the board is Earl D. Dickie (see later story), a member of the Active Firemen's Association. He takes the place of Vincent F. Cunningham, president of the active firemen, who had announced that he would not be able to attend all the meetings of the board.

Ex-officio members of the board are John A. Miller, fire chief; Mrs. Bessie D. Erickson, president of the Mothers; and Roland E. Eber, representing Borough Council.

The active firemen, meeting Monday night, elected Richard Blessing as delegate to the firemen's convention at Lebanon which begins Monday.

Little mention of the local fire was made at either meeting. Directors felt that the building was a public one and also that a tradition of forty years would be broken if they were permitted on the premises.

The directors will meet at the company Monday night.

Wynnewood

Rezoned to Permit Erection of Apartments.

For a decade highest average income community on the Main Line and ranking socially with Haverford, Wynnewood recently took two quick steps away from its exclusive position.

Township approval has been forthcoming for a \$1,125,000 apartment project on the Mary K. Gibson property in Wynnewood, a beautiful estate for some time on the market. Its zoning is changed from an "A" to a "C" classification by Board of Adjustment special exception.

The Gibson property of about 12 acres, along N. Wynnewood avenue and north of the Pennsy tracks, will be the site of twelve buildings comprising a total of 216 apartments.

Approval also is due for a proposed apartment project on the Shortridge property on E. Wynnewood road to include six buildings and 223 apartments. A resolution in favor of the latter proposal was taken before the Lower Merion Commissioners by E. W. Semans on behalf of the Wynnewood Civic Association.

Both apartment operations, as planned, will be the latest in swank for that type of colony.

Woman's Guild

To Hear Welfare Worker Among Chinese

The Woman's Guild of the Narberth Presbyterian Church will meet in the church October 6, with Mrs. Ivan Allbutt as speaker.

Mr. and Mrs. Allbutt have been working among the people in the province of Kweichow, China, a tribe known as the "Black Mias." They went to China in 1929 and are now home on their first furlough. Mrs. Frederick H. Neale will conduct the devotional exercises. There will be special music.

Mrs. C. C. Tyson and her circle will serve a delightful luncheon.

Guild Circles will meet in the homes of various members October 20, study topic being "Forgotten Areas in Our Cities."

Rods and Guns

Snare Trophies for Club Members

Town and township gunners and fishermen displayed pastime proficiency before families and friends Saturday at Ridgeway's Farm, Bethayres.

Taking firsts, respectively, in the school water boiling contest and in accurate plug casting at the L. M. Rod and Gun Club fall outing, were a Narberth father and son, Charles L. and Elmer Jenkins.

Walter (Peter) Miesen, Speakman Post, American Legion commander, won in accurate surf casting, while Wayne D. Burnside, Cynwyd's assistant postmaster, was top in both trapshooting and distance fly casting. His brother, Clarence Burnside, captured distance plug casting honors.

Other awards went to: 22 calibre rifle, George Floyd, Jr.; horseshoe pitching, George Floyd, Sr., and Walter Humphries; junior water boil, George Stecker, Jr.; open calibre pistol, John DuBois; accurate fly casting, Mrs. J. L. Dietrich.

About eighty were present.

Narberth Baseball

Manoa Blasts Narberth Hopes for Championship

Gene Davis' borough baseball team, skillfully piloted by Jack Jeffries during the former's illness, came home dazed and downcast Saturday evening after a surprise defeat by the Manoa team ended the Narberth's nine's hopes for their fifth straight Main Line League championship.

With Manoa leading 3-0 in the ninth, the Davismen strove valiantly to win, but the best efforts of Tanny Ralston, Harry Fox, Rog Malseed, Claude Bailey and Joel Rubicum could only put over two counters. Walter Azzell was the winning, Al Herrmann the losing, pitcher.

Manoa previously had trounced Berwyn, 7-4, who, in turn, ousted Gladwyne from the running. Manoa now has a one-game edge on Berwyn for the title.

Showing plenty of power in their initial game, Coach Al Adam's Lower Merion High football team won from Penn Charter, 13-0, Saturday. A 76-yard drive down the field scored the first touchdown, with the final points coming in the last quarter. Captain Dick Miller and Mal King made nice gains for the Maroon.

Another victory of high over prep school was scored when Upper Darby ran roughshod over Episcopal Academy to win 19-0 on the Upidah Field.

"Candlelight" Posters Wanted

Community artists are invited by William H. Muller, president of the Narberth Players, to submit art posters on the organization's next play "Candlelight." Ten members, he says, already are working on the idea.

The posters will be exhibited at the Players' next meeting Tuesday, October 11, in Elm Hall.

Main Line Post, V. F. W., will hold its sixth annual parade October 8, from Ardmore to Rosemont along Lancaster avenue, for \$600 in prizes.

Six new stores are being erected on the north side of Coulter avenue, Ardmore, by The Suburban Company.

Founder's Memory Honored

The Narberth Branch of the W. C. T. U. met at the home of the president, Mrs. R. C. Kennedy, Sabine avenue, Monday afternoon to plan for the season's work.

Mrs. John Van Ness, devotional leader, opened with a short prayer followed by an interesting account of Frances Willard, the organizer of the W. C. T. U., whose 99th birthday anniversary will shortly be celebrated throughout the country. "Miss Willard," stated Mrs. Van Ness, "was called the uncrowned queen of her country." She recalled to those present the last words of Miss Willard: "It is beautiful to be with God."

Cynwyd Man

Chosen President of Philadelphia Electric

Philadelphia Electric Company's Board of Directors, called upon to elect a new president Tuesday, made no hesitation in choosing Horace P. Laversidge, of 202 Clwyd, Cynwyd.

40 Years of Service

He has risen steadily toward the top since joining the company in 1898.

Mr. Liversidge, a graduate of Drexel Institute, succeeded to numerous supervisory posts until his selection as vice-president in 1921. Two years later he was chosen vice president and general manager and was elected a director of the company in February, 1936.

At a meeting of the board John E. Zimmerman resigned as chairman of the board. William H. Taylor was elected to succeed him. Mr. Zimmerman will continue as chairman of the Executive Committee.

Boy Scout Column

Fall Round-Up Starts Tomorrow

October 1 will see the start of the third annual fall Round Up, the fourth part of the Council Activities Award of the Valley Forge Council. All troops in the Main Line District are expected to participate in this activity. It is suggested by headquarters that the Round Up be divided by each individual troop into three parts: the troop, the leaders, and the sponsoring body. Each scoutmaster is to pit these three divisions against each other in aiming at a perfect score in their respective shares of the Round Up. Sounds like an excellent way for troops to gain a high rating in the last activity of 1938.

The third annual Cubbing Conference for parents and den mothers, pack leaders and committeemen of cub packs will be held Saturday, October 15, at the University of Pennsylvania Christian Association, located at 36th and Locust, from 2 to 9 P. M.

Each pack is urged to hold a parent's meeting before October 15 to discuss the conference program and arrange for a large delegation to attend the conference.

The Main Line District has been honored in this month's issue of Boys' Life by having a troop program printed which was suggested and proved by Orion E. Kline, Jr., a member of Gladwyne No. 1. The idea was used by Green Bar Bill and Scout Kline is given credit for the idea which has proved successful in the meetings of Gladwyne No. 1.

WM. E. FERGUSON.

Narberth's football coach this season will be George Gazella, former Villanova star and Main Line League baseball luminary. He succeeds the late James Sanford as mentor.

Earl D. Dickie

Elected Commander of Narberth Legion

Earl D. Dickie, 117 Forest, was unanimously elected commander of the Harold D. Speakman Post, American Legion, Tuesday night.

It was the second honor to be given Mr. Dickie in a single night (see firemen's story).

The new commander, a resident of the borough for 25 years, in addition to his fire company and veteran activities, is a member of the Cassia Lodge, F. and A. M., Ardmore. He is a salesman for the Fidelity Investment Association. Mrs. Dickie is president of the Speakman Post Auxiliary.

Walter P. Miesen is the retiring commander.

Other officers, also unanimously chosen, were Walter O'Sullivan, first vice commander; Alan Kirk, second vice commander; and re-elected were John A. Mowrer, finance officer; the Rev. Robert E. Keighton, chaplain; Vincent F. Cunningham, sergeant-at-arms; Charles J. Clarke, historian.

Only contest was for Executive Committee with ten nominees for five posts won by Edward Essinger, Charles M. Garton, Dan Tumolo, James Beagle and Frank Challenger.

The commander-elect appointed Horace T. Smalley as adjutant, the post Dickie had held during the last year. Installation of new officers will be October 25.

Frank A. Schaeffer reported on "Sermon" state convention activities.

Church Home-Coming

Ministers of Philadelphia and suburbs, representing twenty-two denominations, sponsor this statement. "We agree that in this hour and every hour the supreme task of the Christian Church is that of bringing men, women, boys and girls into personal fellowship with the Living Christ. We believe that there is no solution of the problems that now confront individuals, churches, education, business, politics and national relationships, other than the Christ Way of Life.

"We, therefore, rededicate ourselves as ministers of Jesus Christ to this our supreme task. We believe the call to be urgent and we propose as individuals to adopt in our churches a definite, aggressive and positive Program of Evangelism.

"We recommend that as far as possible this special program shall begin with the first Sunday in October, which is to be the *Church Home-Coming Day* throughout the city, and that it shall continue until Easter Sunday, April 9, 1939."

Robinson Has Unusual Role In 'Dr. Clitterhouse'—Narberth

A fine blend of comedy and dramatic suspense, "The Amazing Dr. Clitterhouse," starring Edward G. Robinson and brought to the Narberth Theater this week-end, should prove a welcome departure from recent movie trends. Robinson, in his usual competent manner, plays Clitterhouse, the top-notch surgeon, whose obsession is to write a book on the physical, mental reactions of criminals. He commits robberies for scientific curiosity, becomes the head of a gang.

When his "research" notes are completed, he quits to return to his practice. Humphrey Bogart discovers his identity, attempts to blackmail him. Threatened by loss of his notes, obsessed by curiosity to know the ultimate thrill, he poisons Bogart. The police follow up a lone clue, which implicates the notorious fence, Claire Trevor, and leads to the doctor. Robinson confides to his lawyer (Thurston Hall), who promises to get him off on an insanity plea. Firmly believing himself sane, however, in his criminal pursuits and murder of Bogart, Robinson upsets the insanity plea of his lawyer by declaring himself sane. But the jury acquits him. This climactic court room scene is very comical, and will have most suburban theater-goers in stitches.

EGYPTIAN

As Tony McCoy who fought his way from the slums to the heights, Robert Taylor presents the finest, most vigorous acting job he has ever essayed in "The Crowd Roars," which comes to the Egyptian Theatre Friday, September 30, for a five-day engagement. During this time there will be matinees Saturday and Sunday at 2:15. Along with Robert Taylor the supporting cast reveals such names as Maureen O'Sullivan, Edward Arnold, Lionel Stander and the likable, enjoyable, never-failing Frank Morgan.

As an added attraction there will be a Pete Smith Specialty, "Anaesthesia," which deals with the development from the crude early methods to the present streamlined ones. With all the native thrills, sweetness and power, Kate Douglas Wiggin's endearing story, "Mother Carey's Chickens," comes to the Egyptian Theatre Wednesday and Thursday, October 5 and 6. The characters that for two decades have warmed the hearts of countless thousands of fiction readers steps from these epic pages in the talented persons of Anne Shirley, Ruby Keeler, James Ellison, Fay Bainter and Walter Brennan. The charming story of "Mother Carey's Chickens" depicts the joys, sorrows and romances of a brave little New England, fatherless family at the time of the Spanish-American War.

"Ready on Your
Call..."

Years ago, when you placed a long
distance call, you waited several
minutes until the Operator called you
back to say, "Ready on your call..."

Today, more than nine times in ten,
your long distance connection is made
while you hold the line.

This improvement in service came
because Bell management said that it
should come — and found the men,
methods and machinery to make it
possible.

Whenever you need to talk to some-
one out of town—think of Long Dis-
tance. Think of its speed, its ease—
how pleasingly personal it is. Think
of the time and money it can save you.
Think of the low night and Sunday
rates for friendly chats. And remem-
ber, please, that we are always "ready
on your call"—eager and able to serve
you well. The Bell Telephone Company
